

Burgess-Norton Mfg. Co.
737 Peyton St.
Geneva, IL 60134

Take Route 31

Alternates
 I-88, the north on Rt 31
 Rt 38, Then north on Rt 31
 Rt 64, then south on Rt 31

At Stevens St in Geneva (4 blocks north of Rt. 38), turn west
 The plant property begins west of 6th street

For Deliveries

For steel stock straight bar only, go to overhead doors on the west side of the building that is on the **north** side of Stevens (turn right on Illinois Street-flashing yellow light)
 For all other deliveries including coil steel, turn left on the drive alongside the east side of the main building, which is on the **south** side of Stevens. The delivery dock faces south.

For Shipping and Returnable Container Deliveries

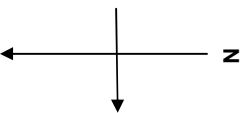

From the 6th Street intersection, continue west on Stevens. There is a cutout with a drive at the end of the main building on the left. Shipping docks are in the drive to the right. Trucks must back in from the street to the docks
