

# Truck Routes and Delivery Information

(Geneva, IL)

\*Truck routes on the maps are labeled in **BLUE**.

## Piston Pin (P1) Directions

### Directions

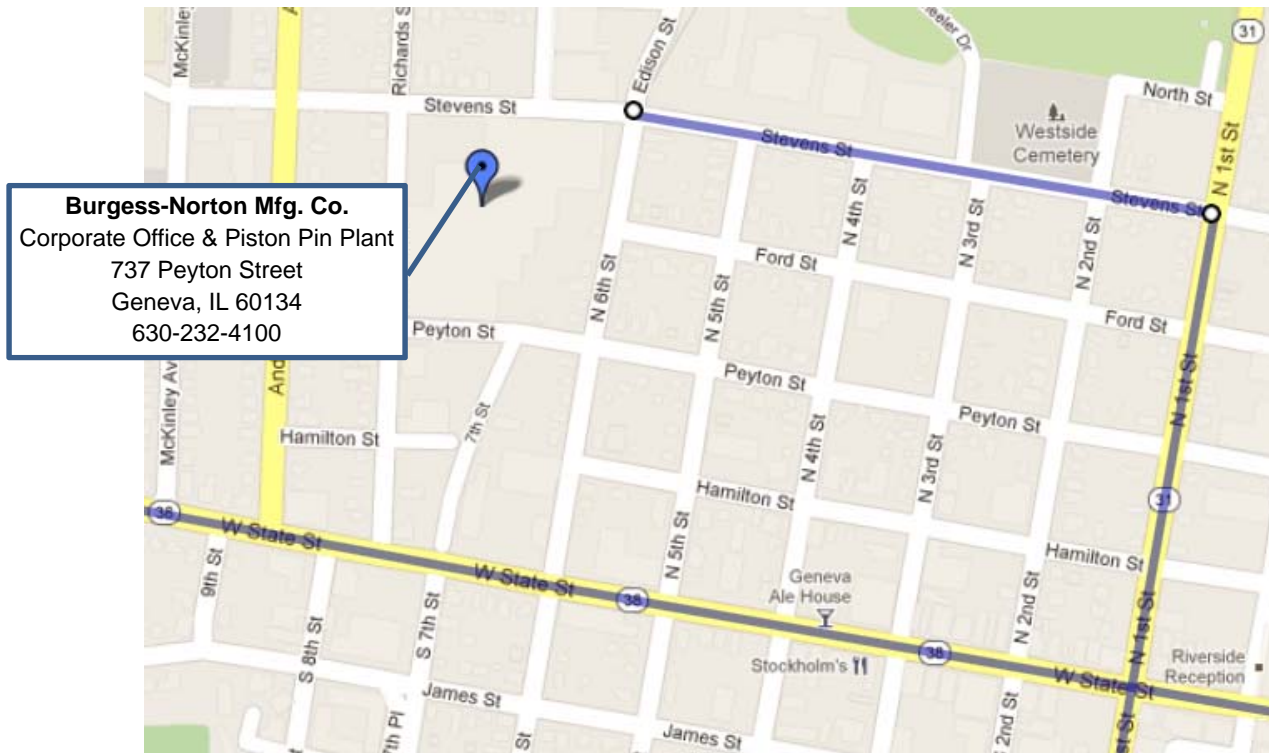

- Take Route 31
  - Alternates
    - I-88, then north on Rt 31
    - Rt 38, then north on Rt 31
    - Rt 64, then south on Rt 31
- At Stevens St in Geneva (4 blocks north of Rt 38), turn west
- The plant property begins west of 6<sup>th</sup> St

### For deliveries

- For all steel stock straight bar only, go to overhead doors on the west side of the building that is on the **north** side of Stevens (turn right on Illinois Street – flashing yellow light)
- For all other deliveries including coil steel, turn left on the drive alongside the east side of the main building, which is on the **south** side of Stevens. The delivery dock faces south.

### For Shipping and Returnable Container Deliveries

- From the 6<sup>th</sup> Street intersection, continue west on Stevens. There is a cutout with a drive at the end of the main building on the left. Shipping docks are in the drive to the right. Trucks must back in from the street to the docks.

## Powder Metal (P2) Directions

### Directions

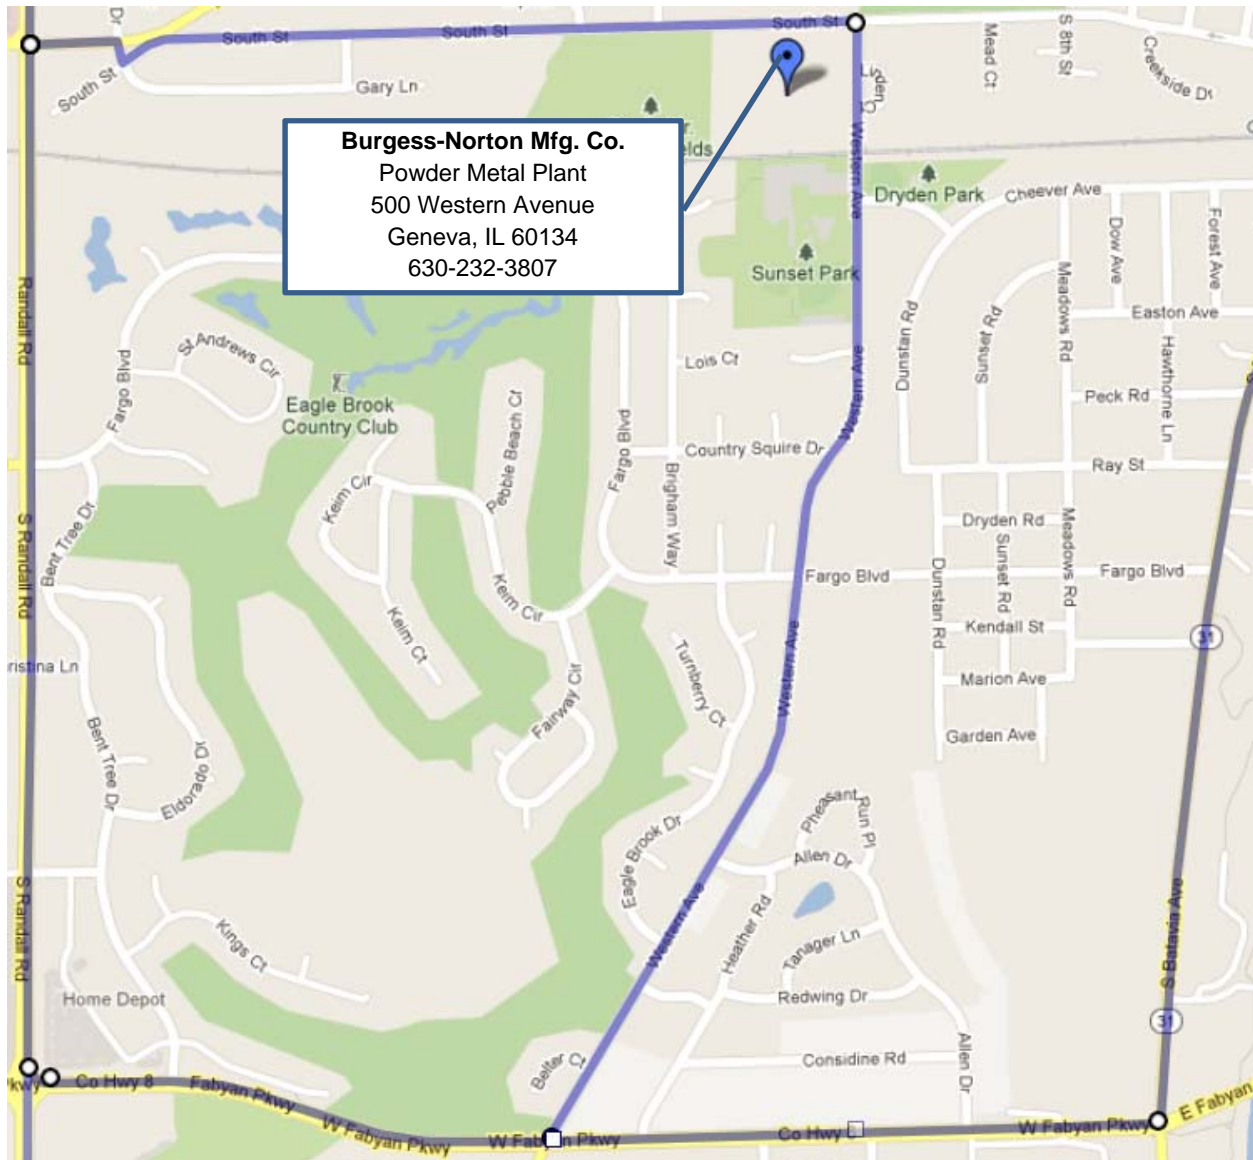

- Take I-88, then north on Rt 31 to Fabyan Pkwy
- Left on Fabyan Pkwy to Western Ave
- Right on Western Ave
- The plant property begins north of the railroad tracks

### For deliveries

- For all powder metal deliveries deliver around the back of the building (southwest corner of the plant)
- For all other truck deliveries go to Dock #11 (northwest corner of the plant)

### For Shipping

- For shipping go to Dock #11 (northwest corner of the plant)

## Driving Directions from Plant 1 to Plant 2

- From P1, drive east on Peyton St to 6<sup>th</sup> St
- Right (south) on 6<sup>th</sup> St to State St (Rt 38)
- Right (west) on State St (Rt 38) to 7<sup>th</sup> St
- Left (south) on 7<sup>th</sup> St to South St
- Right (west) on South St to Western Ave
- Left (south) on Western Ave, plant is on the west side of Western Ave
